研究生論文指導教授同意書

Thesis/Dissertation Advisor Application Form
Department of Marine Biotechnology and Resources

申請日期 Date: 年(yy) 月(mm) 日(dd)

研究生姓名 Name of Student		學號 Student ID (新生填入學年度)	
指導教授簽名 Advisor's Signature	本人同意擔任該生之論文指導教授 I agree to be the thesis/dissertation advisor of this student.		
共同指導教授簽名 Co-advisor's Signature (無則免簽) (No required if no co-advisor)	本人同意擔任該生之論文共同指導教授 I agree to be the thesis/dissertation co-advisor of this student.		
申請人簽名 Student Signature			
系主任 Head of Department :		系辦查核 Verification from the Department :	

- 一、 指導教授選派：學生應選本系專任教師擔任指導教授為原則，若需由校外教師指導時，需列本系專任教師為共同指導教授。本系師資介紹請上本系網站：
<http://mbr.nsysu.edu.tw/bin/home.php>
 Selecting an Advisor: In general, each research student should ask a full-time department faculty member to be their advisor. If you want a faculty member at other schools to instruct you, there should be a full-time professor from our department also advising. Please go to the website of the department for the introduction of the professors in the department:
<http://mbr.nsysu.edu.tw/bin/home.php>
- 二、 本系教師希望新生能快速適應研究工作，請新生在報到後盡快找好指導老師(通知系辦登錄)，並開始從事相關研究。104學年度第七次系務會議決議：海資系每位老師先收最多兩位碩士研究生，全部老師皆收到研究生後，多的研究生則隨學生選擇指導老師。
 The department's professors hope new students can adapt the academic work quickly. New students should find their thesis advisors as soon as possible after the registration (please inform the department to register the information) and start the research work. The resolution of the 7th department meeting in 104 academic years: Every teacher in the department of Marine Biotechnology and Resources can accept 2 graduate students at most in the first place. After all teachers have graduate students, the rest of the students can choose their thesis advisors.
- 三、 研究生修業期間得申請更換指導教授，但以一次為限，請另填更換指導教授申請表。
 Graduate students can change their thesis advisors for only one time during their school years, but only once. Please fill in the "Application Form for Changing your thesis advisor" separately.
